

Practical Compassion for Destitute Children : PCDC

Brother Damian with children in a local school.

PCDC is a registered charity co-ordinated by Revd Malcolm Jones of Newcastle Diocese. Groups make regular visits to Bethlehem and neighbouring districts to support hundreds of children in Palestinian orphanages and schools. PCDC does not get involved with politics, but simply attends to the practical needs of the children, be it with education, health, hospital treatment, or simply basic needs like shoes and clothing.
